

Use your Sensibility not Morality

In this month's audio, Sadhguru tells us about the need to be immoral! He encourages us to activate our humanity, rather than mortgage our intelligence to a notion of morality.

In this month's audio, Sadhguru tells us about the need to be immoral! Because of the imposition of moral rules, human beings have been constrained to act according to an idea of goodness, which, when we consider the state of the world today, has obviously not worked. Sadhguru encourages us to activate our humanity, rather than mortgage our intelligence to a notion of [morality](#).
